

theFRXST theme for Cockos Reaper. <http://thefrxst.com>

If you find value in this and want and are in the position to give back, donate: https://www.paypal.com/cgi-bin/webscr?cmd=_s-xclick&hosted_button_id=B4DB8TTYW7M3Z8

Quick install instructions

Double click the file **theFRXST.ReaperThemeZip** it should auto install itself in Reaper.

Fonts

There is a folder named **fonts** inside you'll find the fonts used by the theme.

Icons

There is a folder named **icons** inside you'll find the custom icons I've created and saved in .png format.

Easy to change in macOS.
